16.00-19.00 PRE-CONFERENCE MINI-WORKSHOP (Lipsius-227):
“Debating the uncertain future of linguistics publishing”

Speakers:

Martin Haspelmath (Language Science Press): *Towards scholar-owned publishing: Publishing as an integral part of research and teaching*

Krzysztof Stroński (Lingua Posnaniensis): *Open-access journals in Poland: The Versita (De Gruyter Open) story*

Ekkehard König (Studies in Language): *The future of linguistics publishing: Revolution or reform?*

Dieter Stein (formerly e-Language): *How (not) to achieve a critical mass and get the S-curve taking off in OA publishing*

Volker Gast (De Gruyter's Trends in Linguistics): *Commercial publishers: Partners or enemies?*

Hubert Cuyckens and Nikolaus Ritt (SLE, Folia Linguistica (Historica)): *The SLE perspective: Folia Linguistica and Folia Linguistica Historica*

George Walkden (e-Language (Journal of) Historical Syntax): *Scholar-led open access without APCs*

WEDNESDAY 2 SEPTEMBER 2015

8.00-9.00 REGISTRATION. Lipsius central hall, ground floor

9.00-9.30 Lecture Hall (Lipsius 019): **OPENING SESSION**

9.30-10.30 Lecture Hall (Lipsius 019): **PLENARY SESSION (presidential address):**

Marianne Mithun (University of California, Santa Barbara): *Enhancing our Cognitive Leaps*
CHAIR: Martin Haspelmath (Leipzig University)

10.30-11.00 Coffee break (Arsenaal)

GS Sociolinguistics. Lipsius-001

CHAIR: TBA

11.00-11.30 **Itxaso Rodriguez** *Towards an understanding of the ideological effects of contact-induced phenomena in the Basque Country*

11.30-12.00 **Joana Aguiar** *Porque clauses in European Portuguese: a sociolinguistic perspective.*

12.00-12.30 **Marianne Hundt and Johannes Kabatek** *Pseudo-titles, global language contact and discourse traditions*

12.30-13.00 **Balthasar Bickel, Taras Zakharko, Steven Moran, Robert Schikowski and Sabine Stoll** *The distribution of zeros in agreement paradigms: exploring diachronic universals*

GS Morphosyntax. Lipsius-002

CHAIR: Pavel Grashchenkov (Institute of Oriental Studies, Moscow, Russian Federation)

11.00-11.30 **Abdelkader Fassi Fehri** *Singulativity and Plurativity in Grammar and Variation*

11.30-12.00 **Peter Juul Nielsen** *Serial Verb Construction in Danish*

12.00-12.30 **Maria Messerschmidt** *Preferred Argument Structure in Danish*

12.30-13.00 **Pavel Grashchenkov** *United Voices*

GS Typology. Lipsius-003

CHAIR: Sonia Cristofaro (University of Pavia)

- 11.00-11.30 **Katarzyna Janic** *Between grammaticalization and metonymy. A development of reflexive marker into the antipassive function*
- 11.30-12.00 **Natalia Levshina** *Mapping the causative continuum: a corpus-based approach to constructional typology*
- 12.00-12.30 **Andreas Hölzl** *Towards a semantic map for questions*
- 12.30-13.00 **Antoinette Schapper and Rachel Hendery** *Tree, firewood and fire in the languages of Sahul*

GS Historical Linguistics. Lipsius-019

CHAIR: Leonid Kulikov (Ghent University)

- 11.30-12.00 **Eitan Grossman and Malte Rosemeyer** *Presuppositions and language change: the grammaticalization of 'finish' anteriors in Spanish and beyond*
- 12.00-12.30 **Tamara Bouso and Teresa Fanego** *Argument structure in flux: On the emergence of two valency-increasing constructions in the history of English*
- 12.30-13.00 **Eline Laperre** *Preverbal negation in Middle High German and Middle Dutch exceptive constructions*

WS Theoretical and experimental approaches to the procedural and conceptual meaning of tense, aspect and connectives. Lipsius-030

CONVENORS: Cristina Grisot, Johanna Blochowiak and Jacques Moeschler (University of Geneva)

- 11.00-11.30 INTRODUCTION
- 11.30-12.00 **Jacques Moeschler** *With or without procedural encoding: what is different?*
- 12.00-12.30 **Joanna Blochowiak** *Connectives: concepts, procedures or both?*
- 12.30-13.00 **Sandrine Zufferey and Didier Maillat** *Assessing procedural meaning: the impact of cross-linguistic differences and similarities for learners' ability to understand connectives and definite descriptions.*

WS The syntax and semantics of numerals. Lipsius-148

CONVENORS: Marijke De Belder, Will Harwood, Dany Jaspers, Koen Roelandt, Jolijn Sonnaert, Tanja Temmerman, Jeroen van Craenenbroeck, Guido Vanden Wyngaerd (KU Leuven)

- 11.00-11.30 **Naoyuki Akaso** *Japanese Reduplicative Nominals and Numeral Quantifiers*
- 11.30-12.00 **Sjef Barbiers and Caitlin Meyer** *English and Dutch ONEs*
- 12.00-12.30 **Dominique Blok** *Directional prepositions as numeral modifiers*
- 12.30-13.00 **Lisa Bylinina, Natalia Ivlieva, Alexander Podobryaev and Yasutada Sudo** *A non-superlative semantics for ordinals*

WS Person and knowledge: from participant-role to epistemic marking. Lipsius-203

CONVENORS: Henrik Bergqvist (Stockholm University), Seppo Kittilä (University of Helsinki), Lila San Roque (Radboud University)

- 11.00-11.30 **Scott Delancey** *Evidentiality, Modality, Mirativity, and Personal Knowledge*
- 11.30-12.00 **Simeon Floyd, Elisabeth Norcliffe and Lila San Roque** *Towards a typology of egophoric marking*
- 12.00-12.30 **Erika Sandman** *Typology of egophoric marking systems in Northwest China's Amdo Sprachbund*
- 12.30-13.00 **Marius Zemp, Manuel Widmer and Fernando Zúñiga** *Knowledge from a Himalayan perspective: a preliminary typology of conjunct/disjunct oppositions in Tibeto-Burman*

WS How lexical relatedness is established and marked - prosody, compositionality and productivity. Lipsius-208

CONVENORS: Marko Simonović (Utrecht University) and Boban Arsenijević (University of Potsdam and University of Niš)

11.00-11.30 INTRODUCTION

11.30-12.00 **Baris Kabak and Anthi Revithiadou** *Structural complexity, recursion, and the genesis of lexically accented morphemes*

12.00-12.30 **Matthias Eitelmann, Kari E. Haugland and Dagmar Haumann** *The -ish Factor: A Corpus-based Analysis of -ish Derivatives in English*

12.30-13.00 **Nancy Kula** *Correlations and non-correlations between productivity, prosody, and semantics in non-accent languages*

WS Locally bound possessives as a window on language structure. Lipsius-227

CONVENORS: Anna Volkova, Eric Reuland, Alexis Dimitriadis

11.00-11.30 INTRODUCTION

11.30-12.00 **Ekkehard Koenig** *The Intensifier Strategy in the Marking of Possessive Reflexives*

12.00-12.30 **Svetlana Toldova** *Locally bound possessor encoding in languages with head-marking possessive constructions*

12.30-13.00 **Miloje Despic** *Possessives Reflexives and the Phase-based Binding Theory*

WS Categorical shift: From description to theory and back again. Lipsius-228

CONVENORS: Liesbet Heyvaert and Hubert Cuyckens (University of Leuven)

11.00-11.30 INTRODUCTION

11.30-12.00 **Andrej Malchukov** *Nominalization, verbalization, and verbalized nominalizations: a typological outlook*

12.00-12.30 **Ulrike Demske** *Categorical Changes of '-ung' Nominals in German: Evidence from Linking*

12.30-13.00 **Stefan Hartmann** *Pathways from verb to noun and back again: Categorical shifts in English -ing- and German -ung forms*

WS Latin influence on the syntax of the languages of Europe. Lipsius-307

CONVENORS: Bert Cornillie (KU Leuven), Bridget Drinka (University of Texas, San Antonio)

11.00-11.30 INTRODUCTION

11.30-12.00 **Hans Henrich Hock** *Latin influence on German word order?*
